Woman the Hunter Jul 19 2021 Over two million American women hunt. By taking up weapons for the explicit purpose of killing, they are shattering one of Western culture's oldest and most firmly entrenched taboos. The image of a woman 'armed and dangerous' is profoundly threatening to our collective psyche--and it is rejected by macho males and radical feminists alike. *Woman the Hunter* juxtaposes unsettlingly beautiful accounts of the author's own experiences hunting deer, antelope, and elk with an argument that builds on the work of thinkers from Aldo Leopold to Clarissa Pinkola Estes. Exploring how women and men relate to nature and violence, Mary Zeiss Stange demonstrates how false assumptions about women and about hunting permeate contemporary thought. Her book is a profound critique of our society's evasion of issues that make us uncomfortable, and it culminates in a surprising claim: that only by appreciating the value of hunting can we come to understand what it means to be human. Controversial and original, defying easy stereotypes, *Woman the Hunter* is sure to provoke strong reactions in almost every reader.

The Eye of the Hunter Nov 10 2020 From the bestselling author of the Iron Tower trilogy and *The Silver Call* duology comes the magnificent epic of *Mithgar*... A thousand years had passed since the Eye of the Hunter last glared in the heavens. A thousand years since the immortal Elfess Riatha brought word of the prophecy to the Warrows Tomlin and Petal with whom she had leagued to hunt down and defeat Baron Stoke, one of the most evil beings to ever stalk the lands of *Mithgar*. The price of Stoke's doom had been a beloved companion's life, the two plunging, locked in combat, down an icy chasm which had sealed shut the ring of eternity. Now the comet known as the Eye of the Hunter again rode *Mithgar*'s skies, and the creatures of darkness once again ravaged the lands, heralding the imminent return of their dread master, Baron Stoke. And now five brave souls must answer the call of prophecy: Riatha and the elf called Aravan; Gwyllly and Faeril, last in a long line of Firstborn Warrow descendants of Tomlin and Petal; and one other, one restored to them from Death's chill grasp.

The Hunter Dec 12 2020 They're the Chosen--Winchester, Remington and Colt--brothers trained to hunt down supernatural beings using the latest steam-powered gadgetry. It's a hard legacy to shoulder, and it's about to get a lot more dangerous. . . A Devil Of A Job Colt Jackson has gotten his name on many a

wanted poster with success in the family business: hunting supernaturals across the frontier. Lately, though, there's a sulfur stink in the wind and the Darkin population is exploding. A rift in the worlds is appearing. To close it, Colt will have to do the unthinkable and work with a demon to pass arcane boundaries no human alone can cross. Except when he summons his demon, he doesn't get some horned monstrosity: he gets a curvy redheaded succubus named Lilly, who's willing to make a bargain to become human again. He also gets Lilly's secret expertise on the machinations on the dark side of the rift. And her charm and cleverness help to get them out of what his silver-loaded pistol and mechanical horse can't. Of course, when all hell breaks loose, he might have to sacrifice his soul. But what's adventure without a little risk? "Meyers puts the steam in steampunk." --Cherry Adair

The Hunter and the Old Woman Sep 08 2020 The intertwined story of a cougar and a man that portrays the strength, vulnerability, and consciousness of two top predators. Not since *Life of Pi* have we encountered such transcendence or walked so fully in the footsteps of a big cat. The "Old Woman" lives in the wild, searching for food, raising her cubs, and avoiding the two-legged creatures who come into her territory. But she is more than an animal — she is a mythic creature who haunts the lives and the dreams of men. Joseph Brandt has been captivated by the mountain lion's legend since childhood, and one day he steps into the forest to seek her out. A classic in the making, *The Hunter and the Old Woman* is a mesmerizing portrait of two animals united by a shared destiny.

Night of the Hunter Mar 03 2020

The Hunter Jun 29 2022 You probably haven't ever noticed them. But they've noticed you. They notice everything. That's their job. Sitting quietly in a nondescript car outside a bank making note of the tellers' work habits, the positions of the security guards. Lagging a few car lengths behind the Brinks truck on its daily rounds. Surreptitiously jiggling the handle of an unmarked service door at the racetrack. They're thieves. Heisters, to be precise. They're pros, and Parker is far and away the best of them. If you're planning a job, you want him in. Tough, smart, hardworking, and relentlessly focused on his trade, he is the heister's heister, the robber's robber, the heavy's heavy. You don't want to cross him, and you don't want to get in his way, because he'll stop at nothing to get what he's after. Parker, the ruthless antihero of Richard Stark's eponymous mystery novels, is one of the most unforgettable characters in hardboiled noir. Lauded by critics for his taut realism, unapologetic amorality, and razor-sharp prose-style—and adored by fans who turn each intoxicating page with increasing urgency—Stark is a master of crime writing, his books as influential as any in the genre. The University of Chicago Press has embarked on a project to return the early volumes of this series to print for a new generation of readers to discover—and become addicted to. In *The Hunter*, the first volume in the series, Parker roars into New York City, seeking revenge on the woman who betrayed him and on the man who took his money, stealing and scamming his way to redemption. "Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly tighten his grip until escape is impossible."—Washington Post Book World "Elmore Leonard wouldn't write what he does if Stark hadn't been there before. And Quentin Tarantino wouldn't write what he does without Leonard. . . . Old master that he is, Stark does all of them one better."—Los Angeles Times "Donald Westlake's Parker novels are among the small number of books I read over and over. Forget all that crap you've been telling yourself about War and Peace and Proust—these are the books you'll want on that desert island."—Lawrence Block

The Hunter Jun 25 2019 Life in the wilderness changes young Gil Moreland after he leaves Weatherford, Texas, in 1873, to trap the legendary "Wild Man"

The Year of the Hunter Jun 05 2020 Like *Native Realm*, Czeslaw Milosz's autobiography written thirty years earlier, *A Year of the Hunter* is a "search for self-definition". A diary of one year in the Nobel laureate's life, 1987-88, it concerns itself as much with his experience of remembering - his youth in Wilno and the writers' groups of Warsaw and Paris; his life in Berkeley in the sixties; his time spent with poets and poetry - as with the actual events that shape his days. Throughout, Milosz tries to account for the discontinuity between the man he has become and the youth he remembers himself to have been.

Shuttling between observations of the present and reconstructions of the past, he attempts to answer the unstated question: Given his poet's personality and his historical circumstances, has he managed to live his life decently?

Fate is the Hunter Feb 23 2022 A biography detailing the experiences of the American novelist, including his time as an air pilot in World War II

The Book of the Hunter Oct 29 2019 This charming, expansive novel set in the sixteenth-century medieval Bengal draws on the life of the great medieval poet Kabikankan Mukundaram Chakrabarti, whose epic poem *Abhayamangal*, better known as *Chandimangal*, records the socio-political history of the time. In the section of this epic called *Byadhkhanda the Book of the Hunter* he describes the lives of hunter tribes, the Shabars, who lived in the forest and its environs. Mahasweta Devi explores the cultural values of the Shabars and how they cope with the slow erosion of their way of life as more and more forest land gets cleared to make way for settlements. She uses the lives of two couples, the brahman Mukundaram and his wife, and the young Shabars, Phuli and Kalya, to capture the contrasting socio-cultural norms of rural society of the time. Mahasweta Devi acknowledges her debt to Mukundaram, who wrote about men and women, gods and goddesses. The hunter tribes refusal to cultivate and settle down, as described by him, is true of surviving forest tribes today. The villages and rivers mentioned by him still exist. Mahasweta Devi is one of India's foremost writers. Her powerful fiction has won her recognition in the form of the Sahitya Akademi (1979), Jnanpith (1996) and Ramon Magsaysay (1996) awards, the title of Officier del Ordre Des Arts Et Des Lettres (2003) and the Nonino Prize (2005) amongst several other literary honours. She was also awarded the Padmasree in 1986, for her activist work among dispossessed tribal communities. Sagaree Sengupta is translator based in the USA. She translates from Bengali, Hindi and Urdu. She has collaborated on this translation with her mother, Mandira Sengupta, an artist who maintains an active interest in her native Bengali. The two of them earlier translated *The Queen of Jhansi* in this series.

Fate is the Hunter Jun 17 2021 "This book is an episodic log of some of the more memorable of (the author's) nearly 10,000 hours aloft in peace and in war. It is also an attempt to define by example his
