When a Girl Loves an Earl Aug 08 2020 What a girl wants... Miss Viola Darling always gets what she wants. Always. And what she wants more than anything is to marry James Kilbrenner, the Earl of Tannenbrook. She's fallen hard for the giant, taciturn, surly brute, and she positively will have no other. The problem? He's not interested. Not even a little. But Viola cannot afford to lose. And she has her heart set on James. If only he will bend to a bit of persuasion. Is an earl like no other... James Kilbrenner knows how determined the entirely-too-beautiful Miss Darling can be—the daft woman cornered

him at a perfectly respectable dinner and mangled his cravat before he could escape. He has no desire to marry, less desire to be pursued, and will certainly not kiss her kissable lips until they are both breathless, no matter how tempted he may be. And only the right one will do... Thrown in her path by a meddling marchioness, James finds himself under sensual siege from a tiny, flirtatious sprite who puts both his heart and his vow to remain unwed at risk. And when scandal looms, he learns the hard way that a man can resist only so long before the indomitable Miss Darling gets her way.

You Can Teach Grammar Mar 27 2022 Teaching English to speakers of other languages (TESOL) requires knowledge of content (grammar, vocabulary, pronunciation) and methods (lesson planning, classroom management). Many TESOL teacher training programs assume that trainees have sufficient content knowledge, and therefore focus on methodology. Unfortunately, the assumption of content knowledge is often a bad one. Many TESOL graduates enter the workforce without a sufficient grounding in English fundamentals. You Can Teach Grammar is a self-contained TESOL grammar course book. It covers all the parts of speech and major sentence structures and provides self-practice quizzes to check comprehension. In addition, the book directly addresses common classroom problems associated with each grammar topic. In the classroom, knowledge of the grammar alone is insufficient. Imparting English grammar skills in memorable and meaningful ways can be tricky, particularly for new teachers. For this reason, You Can Teach Grammar includes a variety of teaching ideas for each grammar topic. You Can Teach Grammar is designed as both a course book and a general reference. Its logical layout and detailed indexing make it a useful resource for teachers in the field as well as for teachers-in-training.
