Cemetery Road Mar 13 2021 Sometimes the price of justice is a good man's soul. The #1 New York Times bestselling author of the *Natchez Burning* trilogy returns with an electrifying tale of friendship, betrayal, and shattering secrets that threaten to destroy a small Mississippi town. "An ambitious stand-alone thriller that is both an absorbing crime story and an in-depth exploration of grief, betrayal and corruption... Iles's latest calls to mind the late, great Southern novelist Pat Conroy. Like Conroy, Iles writes with passion, intensity and absolute commitment." — Washington Post When Marshall McEwan left his Mississippi hometown at eighteen, he vowed never to return. The trauma that drove him away spurred him to become one of the most successful journalists in Washington, DC. But as the ascendancy of a chaotic administration lifts him from print fame to television stardom, Marshall discovers that his father is terminally ill, and he must return home to face the unfinished business of his past. On arrival, he finds Bienville, Mississippi very much changed. His family's 150-year-old newspaper is failing; and Jet Talal, the love of his youth, has married into the family of Max Matheson, one of a dozen powerful patriarchs who rule the town through the exclusive Bienville Poker Club. To Marshall's surprise, the Poker Club has taken a town on the brink of extinction and offered it salvation, in the form of a billion-dollar Chinese paper mill. But on the verge of the deal being consummated, two murders rock Bienville to its core, threatening far more than the city's economic future. An experienced journalist, Marshall has seen firsthand how the corrosive power of money and politics can sabotage investigations. Joining forces with his former lover—who through her husband has access to the secrets of the Poker Club—Marshall begins digging for the truth behind those murders. But he and Jet soon discover that the soil of Mississippi is a minefield where explosive secrets can destroy far more than injustice. The South is a land where everyone hides truths: of blood and children, of love and shame, of hate and murder—of damnation and redemption. The Poker Club's secret reaches all the way to Washington, D.C., and could shake the foundations of the U.S. Senate. But by the time Marshall grasps the long-buried truth about his own history, he would give almost anything not to have to face it.

Steve McQueen Dec 10 2020 Join Greg Laurie as he takes a cross-country drive in his 1968 Highland Green Ford Mustang 390 GT through the canyons of Malibu, the alleys of Hollywood, the wide and open roads of the Midwest, the streets of New York, as he traces the wooly geography of actor Steve McQueen's life, relationships, career and spiritual journey. This iconic muscle car was the vehicle McQueen drove in his most raucous and enduring film, *Bullitt*. In the 1960s, McQueen was, according to box office receipts, the biggest movie star of his generation and one of the coolest men to ever walk the planet. Greg Laurie was a teen at the time and an ardent fan of “The King of Cool,” first mesmerized by McQueen in 1963's *The Great Escape*. Like millions of cinema fans, Greg developed a lifelong fascination with the actor. Now he has a chance to tell McQueen's story. McQueen was a complex, contradictory man who lived the same way he drove his motorcycles and cars: fearlessly, ruthlessly and at top speed. After a lifetime of fast cars, women and drugs, McQueen took a surprising detour. In this book, Laurie thoughtfully interviews members of Steve McQueen's family, friends, co-stars, associates, widow and pastor to tell of the dramatic life-change for the actor in the spring of 1979 - six months before McQueen was diagnosed with terminal cancer. What were the critical steps that led McQueen to make such a life-altering decision? Perhaps more importantly, why is that part of his story so rarely told? This book answers these questions. Greg Laurie will follow the seeds of Christianity that were sown throughout McQueen's improbable life where a Light

finally shone into the darkness of his troubled life. These seeds miraculously germinated, allowing McQueen to see that redemption through Jesus Christ is a lasting truth more glittering and real than any magic of the entertainment industry.

Centuries ago...two ageless and terrifying races—the aristocratic vampires and the feral lycans—are bound by a cruel, ancestral relationship between master and servant, and eternally separated by the ongoing, violent rivalry between their two species. But unknown to both nobility and enslaved alike, a clandestine—and forbidden—affair between the lycan servant Lucian and the beautiful vampire noblewoman Sonja burns brightly with an unbridled passion. Seeking to escape Sonja's tyrannical father, Viktor, and a future in which their love is considered an abomination, Lucian risks the ever-present machinations of the court and his very life to cast himself and his beloved free of their bonds...a daring tactic that will eventually give all lycans the courage to rise up against their oppressive vampire overlords. New alliances are forged even as the chains of slavery are broken...and all that Lucian and Sonja hold dear will be threatened with utter annihilation....
