A Texan's Promise Oct 10 2020 Past promises will be tested as new ones are given... When Clayton Proffitt, foreman of the Circle Z Ranch in Texas, discovers Vanessa Grant is the victim of her stepfather's advances, Clayton knows he must protect her honor and move her far away from the ranch—and from the man she fears.? As they make their way West, an unexpected, deep bond develops between Vanessa and Clayton—far more powerful than a mere friendship or his sense of duty to her. But Vanessa's

stepfather won't let her go so easily. As Clayton and Vanessa place their faith in God and their trust in each other, will they find healing and hope for the future together? "Shelley Gray is a wonderful storyteller, and *A Texan's Promise* captured me from the first page. This endearing love story is so rich with detail, I felt like I was traveling alongside Vanessa and Clayton throughout their incredible journey. Clayton is the hero every woman dreams of, and I loved watching Vanessa grow from a scared girl into a strong woman. This is a wonderful start to this new series. Highly recommended." - Beth Wiseman Best-selling author of the *Daughters of the Promise* series "Shelley Gray's fans will enjoy riding along with her characters down a new trail of romance in *A Texan's Promise*, the first in *The Heart of a Hero* series. Readers will be rooting for Clayton and Vanessa to find their way to a true and lasting love." - Ann H. Gabhart, author of *The Outsider*, *Summer of Joy*, and *Angel Sister*

of war-time America and the battlefields of Europe, Daniel James Brown portrays the journey of Rudy Tokiwa, Fred Shiosaki, and Kats Miho, who volunteered for the 442nd Regimental Combat Team and were deployed to France, Germany, and Italy, where they were asked to do the near impossible. Brown also tells the story of these soldiers' parents, immigrants who were forced to submit to life in concentration camps on U.S. soil. Woven throughout is the chronicle of Gordon Hirabayashi, one of a cadre of patriotic resisters who stood up against their government in defense of their own rights. Whether fighting on battlefields or in courtrooms, these were Americans under unprecedented strain, doing what Americans do best—striving, resisting, pushing back, rising up, standing on principle, laying down their lives, and enduring. *Light From Uncommon Stars* May 17 2021 Good Omens meets *The Long Way to a Small, Angry Planet* in Ryka

Uncommon Valor on Iwo Jima

Aug 20 2021 When the smoke cleared on Iwo Jima in March 1945, 19,000 American Marines had been wounded and 7,000 were dead, a casualty rate of nearly 39 percent. Lasting over a month, Iwo was the Marines' bloodiest battle of the war and the only Pacific battle in which a U.S. landing force suffered more casualties than it inflicted. It was also the most highly decorated single engagement in Marine Corps history.

Uncommon Pleasure Jan 25

2022 From a "fresh and imaginative" (The Romance Studio) voice in erotic romance come the tales of two women, each daring to challenge the boundaries of the toughest of men...But in these edgy, heated encounters, the greatest thing each woman will risk is her heart. In "Over the Edge," after a tragic incident during Ty Hendricks' last tour of duty, he

cut off all connection with anyone he cares about—until a night with Lauren Kincaid draws him reluctantly back into the world. Lauren sees a wounded man in danger of losing everything to his inner demons, but the sensual, no-holds-barred fight for Ty's soul could cost Lauren her heart. In "All on the Line," Abby Simmons fell hard for Lieutenant Sean Winthrop, but he sacrificed their relationship when he deployed to Afghanistan. Now he's home, full of regrets and intent on winning back the woman he never forgot. Abby gives Sean her body but holds her heart aloof, until one night of pleasure forces her to choose either her U.S. Marine...or life without him, forever.

intricate fantasy, *City of the Uncommon Thief* is the story of a quarantined city gripped by fear and of the war that can free it. "Guilders work. Foundlings scrub the bogs. Needles bind. Swords tear. And men leave. There is nothing uncommon in this city. I hope Errol Thebes is dead. We both know he is safer that way." In a walled city of a mile-high iron guild towers, many things are common knowledge: No book in any of the city's libraries reveals its place on a calendar or a map. No living beasts can be found within the city's walls. And no good comes to the guildler or foundling who trespasses too far from their labors. Even on the tower rooftops, where Errol Thebes and the rest of the city's teenagers pass a few short years under an open sky, no one truly believes anything uncommon is possible within the city walls. But one guildmaster has broken tradition to protect her child, and now the whole city faces an uncommon threat: a pair of black iron spikes that has the

Uncommon Ground Jul 19 2021

Bestselling author Timothy Keller and legal scholar John Inazu bring together a thrilling range of artists, thinkers, and leaders to provide a guide to faithful living in a pluralistic, fractured world. How can Christians today interact with those around them in a way that shows respect to those whose beliefs are radically different but that also remains faithful to the gospel? Timothy Keller and John Inazu bring together illuminating stories--their own and from others--to answer this vital question. *Uncommon Ground* gathers an array of perspectives from people thinking deeply and working daily to live with humility, patience, and tolerance in our time.

Contributors include: Lecrae Tish Harrison Warren Kristen Deede Johnson Claude Richard Alexander Shirley Hoogstra Sara Groves Rudy Carrasco Trillia Newbell Tom Lin Warren Kinghorn Providing varied and enlightening approaches to reaching faithfully across deep

and often painful differences, *Uncommon Ground* shows us how to live with confidence, joy, and hope in a complex and fragmented age. "Loving engagement with folks with whom we disagree does not come easily for many of us with strong Christian convictions. Tim Keller and John Inazu are not only models for how to do this well, but in this fine book they have gathered wise conversation partners to offer much needed counsel on how to cultivate the spiritual virtues of humility, patience, and tolerance that are necessary for loving our neighbors in our increasingly pluralistic culture." -- Richard Mouw, Professor of Faith and Public Life, Fuller Theological Seminary "For anyone struggling to engage well with others in an era of toxic conflict, this book provides a framework, steeped in humility, that is not only insightful but is readily actionable. I'm grateful for the vulnerability and wisdom offered by each of the twelve leaders who contributed to this

Uncommon Causes of Stroke Jul 27 2019 Most strokes are attributed to atherosclerosis of neck and intracranial arteries,

brain embolism from the heart, and penetrating artery disease; these are discussed in detail in many other books. This compendium fills an important niche by providing authoritative discussions on the other, less common causes of stroke, including various forms of angiitis, coagulation disorders, infective, paraneoplastic and metabolic disorders that may be associated with stroke, and a number of rare syndromes such as Eales disease and Fabry's disease. This new edition contains detailed, up-to-date information about the nature, diagnosis, and treatment of those relatively uncommon types of cerebrovascular disease that cause strokes. It is therefore a unique scientific and clinical resource that provides a useful reference to help physicians diagnose and treat stroke patients who do not fit well into the usual clinical categories. New chapters include stroke in patients with Lyme disease, scleroderma, Cogan's syndrome, Chagas' disease,

and HIV.

Ordinary Heroes Mar 03 2020
New York Times Bestseller
From the first FDNY chief to respond to the 9/11 attacks, an

intimate memoir and a tribute to those who died that others might live When Chief Joe Pfeifer led his firefighters to investigate an odor of gas in downtown Manhattan on the morning of 9/11, he had no idea that his life was about to change forever. A few moments later, he watched as the first plane crashed into the World Trade Center. Pfeifer, the closest FDNY chief to the scene, spearheaded rescue efforts on one of the darkest days in American history. *Ordinary Heroes* is the unforgettable and intimate account of what Chief Pfeifer witnessed at Ground Zero, on that day and the days that followed. Through his eyes, we see the horror of the attack and the courage of the firefighters who ran into the burning towers to save others. We see him send his own brother up the stairs of the North Tower, never to return. And we walk with him and his fellow firefighters through weeks of rescue efforts and months of numbing grief, as they wrestle with the real meaning of

heroism and leadership. This gripping narrative gives way to resiliency and a determination that permanently reshapes Pfeifer, his fellow firefighters, NYC, and America. Ordinary Heroes takes us on a journey that turns traumatic memories into hope, so we can make good on our promise to never forget 9/11.

Heroes into one e-book for a great value! #1 True Devotion Kelly Jacobs has already paid the ultimate price of loving a warrior; she has the folded flag and the grateful thanks of a nation to prove it. Navy SEAL Joe “Bear” Baker can’t ask her to accept that risk again—even though he loves her. But the man responsible for her husband’s death is back; closer than either of them realize. Kelly is in danger, and Joe may not get there in time. #2 True Valor Heroes get a new meaning when you see inside their lives. Gracie is a Navy Pilot; Bruce works Air Force Pararescue. With dangerous jobs—often away from home—they write love letters. When Gracie is shot down behind enemy lines, Bruce has one mission: get her out alive. #3 True Honor CIA officer Darcy St. James is after a man who knew September 11 would happen—a man who chose to profit from the knowledge. Navy SEAL Sam “Cougar” Houston is busy: The intelligence Darcy is generating has his team

deploying around the world. Under the pressure of war, their romance flourishes. But it may be a short relationship: for the terrorists have chosen their next targets, and Darcy’s name is high on the list. Uncommon Heroes: Welcome to a world where friendships go deep, loyalties stand strong, and uncommon heroes perform the toughest jobs in the world. Dee Henderson’s military romance series provides a detailed passage into the world of the military and homeland heroes, and those they love.

Uncommon Hero Feb 23 2022 Uncommon Hero: The John Seagraves Story involves the life of one African-American youngster, who during his rise from poverty to prosperity encounters a heroic moment that defines a lifetime. While John's story drives the book, the lessons underlying his actions provide a blueprint for a path to a rich life for younger generations.

American Jezebel Oct 29 2019 In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant,

with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, *American Jezebel* brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic

expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. *American Jezebel* illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era. When Katarina Bishop was three, her parents took her to the Louvre...to case it. For her seventh birthday, Katarina and her Uncle Eddie traveled to Austria...to steal the crown jewels. When Kat turned fifteen, she planned a con of her own--scamming her way into the best boarding school in

the country, determined to leave the family business behind. Unfortunately, leaving "the life" for a normal life proves harder than she'd expected. Soon, Kat's friend and former co-conspirator, Hale, appears out of nowhere to bring her back into the world she tried so hard to escape. But he has good reason: a powerful mobster's art collection has been stolen, and he wants it returned. Only a master thief could have pulled this job, and Kat's father isn't just on the suspect list, he is the list. Caught between Interpol and a far more deadly enemy, Kat's dad needs her help. For Kat there is only one solution: track down the paintings and steal them back. So what if it's a spectacularly impossible job? She's got two weeks, a teenage crew, and hopefully just enough talent to pull off the biggest heist in her family's (very crooked) history--and, with any luck, steal her life back along the way.

Echo in Emerald Jan 01 2020 A Misfit and a Mystery In the royal city of Camarria, a street urchin named Chessie lives by her wits, always attended by her two faithful friends, Red and Scar. What no one realizes is that the "friends" are really echoes, creatures who look exactly like their originals but who possess no volition of their own. Echoes normally are only born to high nobles, and Chessie doesn't want anyone to start asking questions about her past. So she's developed the ability to move between bodies so rapidly that she can maintain the illusion that she and Red and Scar are three separate people. After someone tries to murder the crown prince, Chessie gets entangled in the investigation when she comes to the aid of Lord Dezmen, the high noble who's trying to solve the crime. From the back alleys of Camarria to a society party to a rural province, they track down clues. Until one of those clues leads right back to Chessie.
