With an enduring score by the great Paul Williams, the movie remains a holiday tradition in homes across America. Now the book that started it all is back in print, in a beautiful gift edition that will thrill Muppets fans young and old. Inspired by the classic tale "The Gift of the Magi," the story begins in a poor country cottage, as Emmet Otter dreams of buying Ma a piano for Christmas, while Ma dreams of buying Emmet a guitar. When a village talent contest is announced, both imagine their dreams coming true. But what they don't imagine finding is their real reward — the power of love, family, and hope in hard times.
