... Today's dynamic and  
persistent operating  
environment has placed  
unprecedented demands on our  
military personnel. At no other  
time have the potential threats  
been more varied, requiring  
individuals who are highly  
intelligent, agile, ethical,  
tenacious, and physically fit to  
succeed in any climate or  
terrain. The Marine Corps  
Forces Special Operations  
Command (MARSOC) is  
preparing professional combat  
athletes who are ready to  
execute missions in the largely  
unstructured battlefields of  
today and the future.

MARSOC's Performance and  
Resiliency (PERRES) ideology  
is integral to that preparation.  
By focusing on mind, body, and  
spirit, PERRES ensures that  
Marines not only are physically  
strong but also possess the  
mental focus and  
unconquerable spirit necessary  
to persevere under the extreme  
stress of a high operational  
tempo and through the  
unknowns of asymmetric  
warfare. PERRES trains with  
renewal in mind, focusing on  
the resilience of the individual,  
unit, and family. PERRES is  
unique in integrating high-level  
athletic training and nutrition  
with a focus on warrior values,  
including dedication to family,  
country, unit, and mission. This

approach ensures that Marines  
are not only ready for combat  
missions, but also are resilient  
for life. Includes: MARSOC
