Among the Elephants Oct 08 2020

[Canon EOS Rebel T2](#) Nov 01 2022 The EOS Rebel series brings together everything photographers want in a 35mm camera--they're simply the most advanced SLRs in their class. To find out how best to use these masterpieces of form and function--Canon EOS Rebel T2, EOS Rebel K2, EOS Rebel Ti, plus their European counterparts--look into the Magic Lantern Guide. With loads of diagrams and user-friendly instructions, it covers every aspect of these fully automatic 35mm Autofocus SLRs: their 7-point High-Speed, Wide-Area Selectable AF with Advanced 35-zone Metering; Safety Shutter-Release Lock and Camera Shake Warning; and Advanced E-TTL II Autoflash and Enhanced Built-in Flash.

[PHP 7](#) Feb 21 2022 Un cours idéal pour assimiler la syntaxe et les concepts objet de PHP 7 et s'initier au développement d'applications web professionnelles Ce manuel d'initiation vous conduira des premiers pas en PHP jusqu'à la réalisation d'un site web complet interagissant avec une base de données MySQL ou SQLite. Après avoir appris à installer PHP et à créer quelques pages simples, vous étudierez en détail la syntaxe du langage (variables, types de données, opérateurs, instructions, fonctions, tableaux...), avant de progresser rapidement vers des sujets de niveau plus avancé : programmation objet, manipulation des chaînes de caractères et expressions régulières, gestion des mails, sessions et cookies, accès objet aux bases de données MySQL et SQLite, traitements XML, etc. Successeur de PHP 5 - Cours et exercices du même auteur, cet ouvrage met en avant les nouveautés de PHP 7 : typage des paramètres des fonctions et des valeurs qu'elles retournent, fonctions anonymes, générateurs, classes anonymes, suppression de l'accès procédural à MySQL au profit des méthodes objet, etc. Des exercices corrigés et des travaux

pratiques pour une mise en oeuvre immédiate de vos connaissances Pour vous aider à valider et mettre en oeuvre vos connaissances, vous trouverez en fin de chaque chapitre une série d'exercices dont les corrigés et le code source sont disponibles sur [www.editions-eyrolles.com](#) et [www.funhtml.com](#). Vous découvrirez également en fin d'ouvrage trois exemples de sites web dynamiques présentés sous forme de travaux pratiques : à vous de développer ces applications à partir du cahier des charges et des indications fournies dans l'énoncé, en résistant à la tentation de télécharger trop rapidement les solutions données sur le site des Editions Eyrolles ! A qui s'adresse cet ouvrage ? Aux étudiants en cursus d'informatique ou de design web. A toute personne ayant des bases de programmation web (HTML, JavaScript...) et souhaitant s'autoformer à PHP. Aux enseignants et formateurs à la recherche d'une méthode pédagogique pour enseigner PHP.

Canon EOS 650 Mar 13 2021 Small enough to toss into a camera bag, yet thorough in coverage, Hove User's Guides are the best all-around camera manuals available. Each book describes the special features and operation of a single camera model or model family.

Pocket Genius: Cats Nov 28 2019 Find out about more than 70 cat breeds, including their origins and characteristics, in this pocket-sized encyclopedia. This cat-alogue packs a whole lot of information into your pocket! Along with a photo of each breed, discover the facts and stats of each cat, including its size, where the breed originated, colors and markings, and unusual features or behaviors. You'll soon be able to tell apart a Burmese from a Siamese; a rex from a sphynx and a manx; and an American shorthair from a British shorthair. You will

also discover a lot about colors and patterns. Did you know that tabby cats and tortoiseshells are not breeds, but colors within breeds? Plus there are pages introducing cat anatomy and behavior; and the book finishes with fun facts. The style of the Pocket Eyewitness series is perfect for all children, from reluctant readers who can easily digest the key points through to budding vets and cat-lovers who want to know more about the best pets on the planet. Cats with facts: what more could anyone want?

Mastering Exposure Oct 27 2019 Explains the fundamentals of exposure and how varying three parameters--shutter speed, aperture, and ISO--can be used creatively and practically to determine correct exposure, but deliver substantially different images.

Althusser and Law Jan 29 2020 Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

Slave Stealers Jul 25 2019 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first

open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Relay Handbook Dec 30 2019

In Battle for Peace Jul 05 2020 W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, In Battle for Peace frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, In Battle for Peace remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history.

Collecting and Using Classic Slrs Sep 26 2019 Ivor Mantale brings 40 years experience to this book on collecting single-lens reflex cameras, which includes: descriptions and evaluations of the principal makes and models from their earliest forms in the late 19th century to modern versions in the 1980s; instructions on testing and checking for faults; pictures of classic cameras, lenses and equipment, from Adams to Zenit, Graflex to Pentax as well as information on repairers and dealers; and listings of collectors' clubs and groups.

Joyce in the Belly of the Big Truck; Workbook Apr 13 2021

Tourism Management Mar 01 2020 This introductory text provides readers with a robust understanding of tourism and its industries, including how destinations are developed, marketed and managed, and how tourism impacts communities, environments and economies. The authors discuss the critical issues affecting 21st century tourism, such as sustainability, the climate crisis, globalisation, community, technology, the environment and the sharing economy. The text has been fully updated in light of the Covid-19 pandemic and its notable, and in some cases lasting, impacts on the tourism industry. The text features new mini-case studies (snapshots) and international case studies from countries around the globe including USA, Saudi Arabia, India, China, New Zealand, Australia, Namibia and the UK. It discusses the latest trends in transport, hospitality, attractions and the travel trade and includes examples from major tourism companies including Trip.com, TUI and Airbnb. The book is suitable for students who are starting their tourism studies as part of their college or

university education. Clare Inkson is a Senior Lecturer in Tourism and Course Leader of BA Tourism with Business at the University of Westminster, London. Lynn Minnaert is the Academic Director and Clinical Associate Professor at New York University's Jonathan M. Tisch Center for Hospitality and Tourism.

Canon EOS Rebel T5/1200D For Dummies Jul 17 2021 Capturing greatness with the Canon EOS Rebel T5/1200D is just a click away Congratulations on your new Canon! Not sure where to begin? No worries! Canon EOS Rebel T5/1200D For Dummies makes it easy to

cut through the intimidation of working with your DSLR camera to get great shots—without breaking a sweat. With this hands-on, friendly guide, you'll discover how to get a feel for your camera, shoot in auto mode, shift to manual settings to take full control of your photos, adjust lighting, focus, and color, manage playback options, learn basic troubleshooting, and much more. Truly stunning and impressive pictures are at your fingertips! Shows you how find and set camera controls to adjust exposure, lighting, focus, and color Explains how to

load images to a computer for organizing, editing, and sharing Provides tips on how to control your camera to get the shot you want Makes learning fast, easy, and fun with full-color photos If you're a new camera owner looking to get great shots that your phone simply can't capture, Canon EOS Rebel T5/1200D For Dummies makes it easier.
